

# MONT BLANC

## Mont Blanc ascent program (4.808m). 6 days/5 nights.

---

### Day 1:

First day travel to Chamonix, and meeting with our Guide who will tell us the details of the activity.  
*Hotel.*

### Day 2:

We'll start the contact with the mountain. First we'll take the lift in Les Houches, and make the connection with Mont Blanc train, till Nide d'Aigle at 2372m, wher really start our ascent. The trail till Tête Rouse hut is not difficult. Tête Rouse, 3200m.

Diference: 900m. 3 to 3:30h.

*Hut.*

### Day 3:

From this point start the difficulty and the mountain show us the most dificul and dangerous part.

From not far of Tête Rouse hut, we'll must to across very fast the big corridor coming down from the upper part of the mountain. From her we'll follow the steep rocky spur with some cable in the more difficult part, directly to the old hut Gouter balconi at 3817m.

Diference: 600m. 3 to 4h.

*Hut.*

### Day 4:

We'll take the breakfast at 2:00am, and 1 hour later we'll start. We'll climb the Aiguille du Goûter of 3863m and Dôme du Goûter of 4304 metros. At the sun rise moment, we'll be near Vallot hut, for atack the last part of the climb through Bosses ridge. Reaching between 9 and 10 the Mont Blanc summit.

We'll back by the same way, passing Goûter hut down directly to Tête Rouse hut where we'll sleep.

Diference: 1000m up and 2430m down. 8 to 10h.

*Refugio.*

### Day 5:

We'll down to Nid d'Aigle where we'll take the train, and the lift to Les Houches and Chamonix.

*Hotel.*

### Day 6:

Trip to back home.
